Program

PETS

Drawing on diverse inspirations, the Natura rooms offer multiple atmospheres and a profound richness in the way they express themselves. These rooms are in perfect harmony with nature, offering privileged views of the surrounding mountains and gardens and allowing guests to contemplate the natural world. Spacious and comfortable, they all have a private balcony with a unique view of the green hills.

Bring your pet and enjoy a memorable stay in the company of those you love most!

Dinner at our restaurant

Every day, our kitchen prepares, with love and dedication, a journey through the characteristic flavors of our land. With a menu based on regional gastronomic specialties, we offer a variety of suggestions full of the freshest and most characteristic products of Minho cuisine.
